Australia's business and technology centre, Sydney is the gateway city to Australia and home to one of the world's most beautiful harbours. It has a year round calendar of unique cultural activities and festivals, innovative restaurants, appealing clean city environment, world renowned shopping and friendly people.

Within the city centre, there is an abundance of museums and galleries to wander through including the National Maritime Museum and the Powerhouse Museum. The biggest attractions in Sydney include the Sydney Harbour Bridge, Sydney Opera House, Centrepoint Tower, The Rocks, Circular Quay and the many shopping malls found throughout the city like the Queen Victoria Building. Outside of the city centre you can find some brilliant sights that include golden beaches like Bondi, Coogee and Cronulla. There is also some spectacular national parks found around Sydney and they include Ku-Ring-Gai, Garigal and The Royal as well as many others.

The conference will be held in Bondi, one of the Southern beaches of Sydney. Bondi is well known for its great sandy beach, as well as its surf. It is a modern coastal resort, which is very popular. Bondi has a number of cafes and restaurants which look out over the beach and makes a great place to stay and visit. The beach is backed by attractive parkland, where you can relax, play games or take a walk. There is a fantastic promenade backing the beach, which continues along the coast, around the headland.
